

Biewer Breed International Registry

Single Dog Registration Application

If you would like to register your Biewer with the BBIR, please fill out the application below. Reputable European and American registrations are accepted as proof of previous registration. Please fill out in legible hand printing or by computer.

Proof of DNA will be the owners responsibility. The BBIR works with Geneseek. If information is needed contact Geneseek <http://genomics.neogen.com/en/canine-dna-identification-and-parentage> . Once submitted this BBIR application and all its information become the property of the Biewer Breed International Registry. The BBIR has the right to inspect all applicant and forms submitted, and if deemed not authentic, can deny registration.
